

# NAIT TRANSIT STOP REGISTRATION

## COMPLETING YOUR REGISTRATION

This form must be completed by the owner of a transit stop (this is the owner of the land a transit stop is located on).

A transit stop is a location where animals are temporarily held during transport or driving between two locations. There is no obligation to declare to NAIT the movement of animals to and from a transit stop if:

- they are only held there temporarily, and
- they are not mixed with any other cattle or deer while at the transit stop.

TRANSIT STOP DETAILS	
Transit stop name	
Organisation name	
Physical address

## **PRIVACY STATEMENT**

All personal information we collect is collected for the purpose of administering the National Animal Identification and Tracing Act 2012 (the NAIT Act), and is governed by that Act and by the Privacy Act 1993. NAIT will use personal information you provide us to update the FarmsOnLine database which is administered by the ministry for Primary Industries.

Information from the NAIT system is also available to agencies with functions under the Animal Products Act, the Biosecurity Act, the Commodity Levies Act and the Primary Products Marketing Act and other laws relating to animals or animal health. The provision of personal information about transit stop owner is compulsory under the NAIT Act, and a failure to provide information as required is an offence punishable by a fine of up to \$10,000. The provision of false information is punishable by a fine of up to \$25,000. You are entitled to seek access to, and correction of, any personal information we hold about you.
